Judgements

- There were 55 completed questionnaires by parents (1.8%) during parents evenings on Monday 29th April (19), Tuesday 30th April (20), Wednesday 1st May (8) and EYFS (8).
- The overwhelming responses either strongly agree or agree that the school is very effective. However there is no room for complacency and it is our mission to ensure that every child can reach their full potential.
- The school acknowledges the need to respond to the concerns raised by parents regarding homework. Subsequently we will canvas parents thoughts about homework and implement a carefully thought out system for the giving out of homework that is fair and reasonable to support our children's learning. Homework is an issue in our school development plan and we intend to develop and implement a new policy for homework in September 2013.
