Wed 31st Oct - Flu Vaccines, EYFS-Year 5

INFORMATION:

Football Friendly

On Tuesday 2nd October, Middleton-in-Teesdale Primary school went to Butterknowle school and played a friendly match. Middleton were very good and worked as a team and had some great passes, tackles and goals! The final score was 6-0 to Middleton. Goal scorers were Jordan 2, Tyler 1, James 1, Lewis 2. We also have a brand new kit which has been kindly donated by the Stephen Mitchell Memorial Shoot. We all enjoyed it so much that Butterknowle are going to come to Middleton to play another friendly match after half term.

School Health Questionnaire - Cherry Blossom class

Please could we remind all parents and carers of pupils in Cherry Blossom class to return the 'Health Questionnaire' forms back to school where they will be collected by the school nurse.

Harvest Festival

A big THANK YOU to everyone for all of the food donations sent in to school for Harvest Festival. We have managed to fill two large boxes which are now ready to be taken to the food bank, 'StoreHouse' in Barnard Castle. Today the children in Beech, Willow and Larch have enjoyed taking part in workshops where they have learnt all about the different harvests: harvest of the garden, the ocean, the earth, the grain and the flock. The children have all enjoyed planting seeds, making paper boats, making clay pots, tasting bread and even weaving wool and knitting. Thank you to our local ministers for organising these workshops which have engaged and educated our pupils in the harvests of our world.

Stephen Mitchell Memorial Fund

The school would like to give a huge thank you to the Stephen Mitchell Memorial Shoot for donating money to the school. This money has been donated especially, to enable the school to purchase brand new football kits for the children (for their home and away games).

Rainbows

The Rainbows group in Middleton-in-Teesdale are requesting bags of unwanted adult and children's clothes, coats, paired shoes, underwear, bags and belts for their fundraising effort with The Fire Fighters Charity. Any bags can be left with Mr Robinson at school. Many thanks.

Attendance Award this week goes to
Oak Class with 99.3%
