After eight weeks of home school learning we are looking forward to welcoming our pupils back into school next week. We would like to thank all parents and carers for all of their support shown to us during this period of lock-down. A letter from the Head of Education regarding gathering at school gates has been posted on the school app under the 'Documents' tab. We would kindly ask if you could take the time to read this letter.

Many thanks.

SUPERB HOME-SCHOOL LEARNING

Pupils in Class 2 (Larch) have been learning all about bridges as part of their topic lesson. One of our Year 4 girls, Emily, sent in these photos of a bridge she has created using Lego pieces. As you can see from the photos, it is a bascule bridge (otherwise known as a drawbridge or lifting bridge), similar to the Tower Bridge in London. **Very well done Emily!**
