~ ATTENDANCE - THIS WEEK ~

WELL DONE CLASS 1

Our school target for attendance is 96.6% and we ask parents to support us by ensuring your child is in school, because if they're in school they're learning.

This week's attendance is: 94.0%

INFORMATION:

PARENT GOVERNOR

We currently have a position available on our Governing body for a Parent Governor. If you are interested in this position or would like any further information, please contact the School Office. Many thanks.

DROP OFF AND COLLECTIONS

Now that the on site electrical works have been completed, all pupil drop-offs and collections will resume back to the usual school entrances, from Monday 24th May. Home time collection for the children will be at 3.00pm. Thank you for all your co-operation and understanding with the changes we have had to implement this week.

COLOUR RUN

Just a quick reminder that on Monday 24th May, we have a member from Go-Well visiting our school for an afternoon of fun-filled messiness and exercise. Each class will come outside at a specific time to take part in a 'colour' fun run. The course will have four colour stations with two staff at each, who's aim will be

to douse the pupils with colour powder (aiming at waist level only). This is not a timed event, it is all about the pupils having fun so they can walk, run or even skip and do as many or as few laps as they choose.

Please send your child/ren to school wearing their PE kits along with a plain white or pale coloured t-shirt that you won't mind getting messy and possibly stained; please also send in a filled water bottle to ensure your child/ren stay hydrated.

This free event (which had to be cancelled last year) is being funded using the school sports premium money.
