## WHAT'S ON:

Mon 6th Sept - School re-opens

Well here we are again, the end of the school year and not as we would like it with most of our children absent. However, we would like to take this opportunity to thank you all, both parents and pupils, for all of your help and understanding during this very challenging year. We wish you all a very happy and relaxing summer break. *From all the staff at Middleton-in-Teesdale Primary.*

### CLASS 2 - (Year 3 & 4)

The children have been learning about Egypt this term in Class 2. They wrote their name in hieroglyphic symbols and made their own cartouche using clay. Then they painted them and the end result was fabulous! The children also designed and made their own Tutankhamun death mask. They wet and layered Modroc over a balloon to create the mask and when it was dry, they painted their design.

The children have worked really hard this year in Art and have used a range of different media over the year to create some real works of art!
