'Where many hearts make a school'

Dear Parent/Carer

All 3 to 4-year olds, in England, can get 570 hours free childcare per year. At school, it is taken as 15 hours per week. Schools are legally required by Government guidelines to ensure that children receive these hours at the same time as one another so that they all have the same right to education. In line with this guidance, our 15 hours will be offered during morning Nursery sessions (9.00-12.00) from September 2022. Additional hours may be paid for. However, these must be taken during the afternoon session.

Some 3 to 4-year olds are eligible for 30 hours free childcare a week. There are no changes for children on 30 hours, as this is full time nursery care (9.00am to 3.00pm). Please complete the details below, if this applies to your child.
